Community Partner Success Story:

GaDuGi SafeCenter provides 24/7 comprehensive crisis advocacy services, prevention programs and professional defensive training. These programs target the Education and Health goals of our community.

From Sarah Jane Russell, Executive Director of GaDuGi SafeCenter...

Someone asked me once what GaDuGi advocates really do. I answered, "What we really do is bake cookies". A junior high aged girl was assaulted and we were called to help her. After several months of daily contact she called one day and seemed unusually gloomy. I asked her, "What can I do to help?" She answered, "Will you bake cookies for me?" The girl's mother worked very hard at two jobs and baking cookies for both of them seemed absolutely helpful! They were very appreciative and said, "Thank you....this really helped."

GaDuGi SafeCenter...every call is answered.

A donation of \$1.00 per week provides 3 sets of replacement clothing for an adult/child victim survivor after a hospital exam or purchase of gas vouchers for assistance with transportation to/from court.
