## Community Partner Success Story:

**Headquarters Counseling Center provides bereavement support, handouts, and 24/7 phone counseling. Their programs target the Education and Health goals.**

Headquarters Counseling Center's 24 hour services help people with all sorts of issues. For example, one man's testimonial came in the form of a phone call to our center. He said, "I just want to thank you guys. I love you. Your counseling center is great. It kept me from doing the undo-able. I now have a job doing plumbing and I'm making more than \$11.00 an hour. Anything is possible!" Headquarters' counselors always appreciate hearing about these success stories from their anonymous clients. United Way dollars help keep these phone lines open.

*A donation of \$1 provides Bereavement support books for 3 families; safety handouts for 50 kids and their families; phone service for 5 days with counseling provided 250 times.*
