## Partnering for Student Success

United Way of Greater Topeka has made an annual commitment of \$2,500 to Holton High School's Washburn Tech Assistance Fund. Through this fund, Holton High School students accepted into the Washburn Institute of Technology can receive scholarship assistance to cover the cost of fees associated with their program, including equipment, tools, textbooks, etc.

This assistance is part of United Way's goal of ensuring that all students have the tools they need to stay on-track in school.

\$40,000 invested since 2012.

## MAKING THE HOLIDAY BRIGHTER

### CHRISTMAS BUREAU

United Way is honored to support the Christmas Bureau in Jackson County. Food and essentials go to Jackson Countians in need, including 87 seniors and disabled individuals, and 116 families. Christmas Bureau once again served as a special comfort to families during these uncertain times. This year's \$1,000 investment brought the year-to-date Christmas Bureau investment to \$40,000 of holiday help.
