Increase Your Impact with DesignationPLUS

Looking to maximize your impact?

In addition to designating a gift to your favorite agency, consider adding (if you haven't already) a designation to the Impact Area associated with that agency (or the Community Impact Fund).

For instance, in addition to a \$50 gift to the Topeka Rescue Mission, consider a \$50 designation to UWKV's Family Success Impact Area. This ensures that UWKV can provide the strategic collaboration and resources to support the Rescue Mission in their work.
